

## YOU HAVEN'T SEEN ANYTHING YET

*Rev. Boniface G. Gitau*

### **1 Cor.2:9**

But as it is written: **“Eye has not seen, nor ear heard, Nor have entered into the heart of man The things which God has prepared for those who love Him.”**

Think of all the great dreams and aspiration you have for your life. Can you imagine how wonderful your life would be if everything worked out just right. As much as this sounds good it cannot be match to what God has prepared for those who love Him.

The Lord says what He has in store for you, you have not seen, heard or conceived in your heart. In other words you haven't seen anything yet. Wow! Imagine what would happen if we entrusted our future in God's hands rather than trust our frail plans which are frequently shattered by situations in life.

The Bible gives us this assurance that God *“...is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us,”* Eph.3:20. His unlimited power is able to overcome any barrier that stands against His awesome purpose for us. The only thing that can keep us from achieving God's best for us is our selves. No devil, no power of darkness or situation can hinder God's unstoppable power from accomplishing His purposes for your life. It is only our fears and unbelief that keep us from His divine plans.

The Lord desires to reveal to us His wonderful plan for our lives. This can only happen in the place of prayer when we are open to hearing His voice. The apostle Paul reveals to us that *“The Spirit searches all things, even the deep things of God. For who has known the mind of the Lord that he may instruct him? But we have the mind of Christ”* {1 Cor.2:10, 16}. When we align our thoughts with God's word we will begin to comprehend the unsearchable things of God.

Today seek the Lord with all your heart and expect the Lord to show up in a great way. In Jeremiah 33:3 the Lord says *‘Call to Me, and I will answer you, and show you great and mighty things, which you do not know.’* All we have to do is ask God to show us, believe His word and act on it. Take up the challenge, do it and watch God do a great work in your life.
